

GOALS FOR GENERAL EDUCATION

The following is some more specific information on the various components of the General Education Policy.

General Education Points applied to the Goals for General Education Student Learning Outcomes

Goal Number	Min. GEPs	See Key Below	Goals for General Education Student Learning Outcomes
Goal 1	7	(1,2)	Communicate effectively in writing, oral presentation, and visual argument.
Goal 2	2	(2)	Find, evaluate, and ethically use information using appropriate technology.
Goal 3	5	(1,2)	Apply critical analysis, quantitative reasoning, and problem solving skills.
Goal 4	5	(2)	Apply knowledge from the humanities and other disciplines to analyze: the implications of diversity among human groups, their histories, their cultures, and, the plurality of human experiences.
Goal 5	5	(2)	Demonstrate knowledge of natural sciences principles, concepts, and methods.
Goal 6	5	(2)	Demonstrate knowledge of social sciences principles, concepts, and methods.
Goal 7	5	(2)	Apply knowledge from the arts and humanities to analyze, evaluate, or participate in the artistic and literary traditions of our diverse world.
Goal 8	2	(2)	Demonstrate basic communication skills in a second language.
Goal 9	2	(2)	Participate in physical activity and evaluate the consequences of health decisions.
Goal 10	2	(2)	Exhibit responsible citizenship.

(1) Subject to Foundation Courses rule (see below).
 (2) Credits for Goal 1 must come from at least three disciplines; Goals 3, 4, 5, 6 and 7 must come from at least two disciplines, Goals 2, 8, 9 and 10 must come from at least one discipline. Each course code (i.e. MATH, CHEM, COMMSTUD, ENGLISH, etc.) defines a discipline unless a department decides those department courses not to be considered distinct disciplines.

Foundation Courses - All students are expected to complete foundational courses in English Composition and Mathematics in their first year of enrollment. Students who are not eligible for credit by examination or transfer in these courses will be scheduled into appropriate courses within their first year of study, except that students enrolled in developmental courses will be scheduled into appropriate foundational courses in the semester following their developmental enrollment. Students who receive a failing grade in a foundational course shall schedule a makeup within one year following the failed attempt.

- For English Composition, the foundational course is English.101 Foundations of College Writing.
- Foundational Mathematics courses (*These courses will also carry GEPs): Economics 156 – Business and Econ Math*, MATH 101 Mathematical Thinking*, MATH 109 College Algebra, MATH 111 Finite Math*, MATH 112 Trigonometry, MATH 113 Pre-Calculus, Math 116 -- Algebra for Health Sciences*, MATH 118 Applied Matrix Algebra*, MATH 123 Essentials of Calculus*, MATH 125 Calculus 1*, MATH 141 Introduction to Statistics*, MATH 201 Math Concepts 1: Theories of Arithmetic, MATH 199 Math Transfer.

Note for transfer students:

Credits transferred as a BU course equivalent get the GEP distribution of the BU course, but other transfer credits (e.g. XXX.199) do not count toward GEPs.
