CREATIVE PROJECTS

- Slike, S. & P. Berman. January 2006 to May 2008. Creation/design of online courses which provide equal accommodations for deaf, hard of hearing, and hearing students. The courses incorporate a number of innovative design features including Wimba's Live Classroom which enables students to access a sign-language

interpreter and closed-caption text to accompany a standard PowerPoint slide presentation and instructor's voice.

- Slike, S. - Creation/monitoring of the *Virtual Library* on www.deafed.net address: <http://www.deafed.net/PageText.asp?hdnPageID=189> February 2006 to present. This World Wide Web library houses over 90 PowerPoint projects and syllabi from professors in Deaf Education Training Programs from around the world.
- Slike, S. Credited with the establishment of and writing the curriculum for the Interpreter Training program at Bloomsburg University, June 1983. This program was and continues to be the only 4-year interpreter training program in the state of Pennsylvania.
