- 🐾 If you have federal loan(s) previously discharged due to disability, check with your loan servicer as to how a new federal loan may affect the discharged loan(s) before you apply for a new loan.

How do I apply for a Federal Direct PLUS Loan?

PLEASE READ ALL INSTRUCTIONS. It is important that you complete all steps to ensure that your loan application is properly processed. Failure to do so will delay the certification of your loan. **This process must be completed by the parent borrower, not the student.**

STEP 1 - Determine Credit Eligibility for Loan

- 🐾 Visit studentaid.gov.
- 🐾 The parent borrower must sign in using their own FSA ID number, not the student's.
- 🐾 If you have multiple students enrolled needing a PLUS Loan, a separate PLUS Loan Application must be submitted for each student.
- 🐾 Select "Apply for Aid".
- 🐾 Select "Apply for a Parent PLUS Loan".
- 🐾 Select "Start".
- 🐾 Select an Award Year - Make certain you select the correct Award Year or the loan will not be processed.
 - Award Year 2021-2022 (Summer 2021, Fall 2021, Spring 2022)
 - Award Year 2022-2023 (Summer 2022, Fall 2022, Spring 2023)
- 🐾 Complete requested information and follow instructions given.
 - Award Range - When prompted select the appropriate dates you wish to have this loan processed for.

- You may apply for one semester at a time or multiple semesters in an academic year.
- Loan Amount Requested - When prompted indicate the amount you wish to have processed for the award range. Amount requested will be split between semester(s) indicated in the award range. Please indicate whole dollars, no cents. If you want the maximum, you may indicate maximum. **An origination fee of 4.228% of the borrowed amount will be deducted by the federal processor when the loan is disbursed. Estimate this amount in your amount requested. For example, a \$5,000 loan will have an approximate net disbursement of \$4,789.**
- **Special Note on Loan Amount Changes:** If you are trying to increase an existing loan for the award year, select the option "New Application" when asked for Application Submission Reason not "Loan Amount Increase". Enter only the additional amount required. If you are trying to reduce/cancel an existing loan for the award year, please see how to [reduce/cancel](#) the loan.
- 🐾 The credit decision will be provided at the end of the process. If the credit is approved, proceed to **STEP 2 - Submit PLUS Master Promissory Note (MPN)**. If the credit is denied, the parent may appeal or apply with an endorser. For instruction on how to do this, please contact Applicant Services at 800-557-7394. If parent is not able to appeal or apply with an endorser, the student may [submit a request](#) in order for additional loan to be processed in the student's name.

🐾 For technical issues or have questions, please call Applicant Services at 800-557-7394.

STEP 2 - Submit Loan Master Promissory Note (MPN)

The PLUS Master Promissory Note (MPN) is a legal document that holds the parent borrower, not the student, responsible for repayment of current and future loans. The MPN is valid for 10 years and does not require you to complete another MPN for subsequent borrowing unless the original MPN was approved with an endorser. If an endorser is required, future borrowing will require that a new MPN be submitted.

🐾 Visit studentaid.gov.

🐾 The parent borrower must sign in using their own FSA ID number, not the student's.

🐾 If you have multiple students enrolled needing a PLUS Loan, a separate PLUS MPN must be submitted for each student.

🐾 Select "Complete Aid Process".

🐾 Select "Parent PLUS MPN".

🐾 Select "Start".

🐾 Complete requested information and follow instructions given.

🐾 For technical issues or have questions, please call Applicant Services at 800-557-7394.

STEP 3 - What Happens Next?

🐾 Our office will certify your loan once all required information has been received (i.e. completed FAFSA, completed MPN, verification of at least half-time enrollment in an eligible program, and [satisfactory progress](#) earned).

🐾 If the parent borrower has never borrowed a Federal Direct PLUS Loan for this student at Bloomsburg University, the parent will be sent an email to the email address provided in the application process asking to confirm their parental relationship to the student. Certification will not occur until a reply is received.

🐾 You can find your loan on the student's [MyHusky Self-Service Account](#) when it has been processed.

🐾 In order for the loan to be disbursed, the parent borrower must complete all required steps above before the last day of enrollment for the term in which the loan is processed. The student must be enrolled at least half-time at the time of disbursement.

🐾 The funds will be delivered through Electronic Funds Transfer (EFT) directly to the student's school account.

🐾 Get more information on how to [reduce/cancel](#) the loan.
