Setup in BOLT

When setting up your room in BOLT, you may want to consider these settings.

Room Visibility: Public Room – all students in the course will have access to the room and archive.

Start Date and Time – must be set in the future (15 minute intervals).

End Date and Time – cannot be changed once the room is saved. If you want this room to be available all semester, set the date for the end of the semester. The room cannot be set to go past one year.

Advanced Properties – Check Participants have unrestricted access to resources – students will have access to audio, video, chat, and whiteboard tools when they enter the room.
