Setting Default Participant List to 'Auto'

Please note you will need to change the setting on the computer that you will be using in the classroom.

1. Open TurningPoint software
2. Click on 'Tools' on the TurningPoint Toolbar
3. Click on 'Settings' in the drop down menu under 'Tools'

DIRECTIONS CONTINUED ON NEXT PAGE
4. In the Settings window, follow the steps below:
   1. Click on 'Presentation' on the left side
   2. Click on 'All Settings' in the bottom right
   3. Click the drop down arrow next to 'Default Participant Setting' and select 'Auto'
   4. Click on the 'Done' button in the bottom right corner
