Creating a teacher account
Chapter 1: Creating a teacher account

Signing up for a teacher account

This section covers the steps for creating a new teacher account. A teacher account must be created before classes are setup.

**Step by Step Instructions**

2. Click Need an Account?

3. Complete the new account form by filling in your BU email address, password, confirming your password, and the text from the security image.

   **Note:** Students will need to enter the Instructor email address when they register their clicker, so please use BU email address when setting up your account.

4. Click Create User.
5 Click **Continue**.

**Complete**

Your account has been successfully created.

The teacher account is now created. You will now be logged in and taken to the main page. From here you will be able to setup your classes.
