Student Health Center

Bloomsburg University requires all students to be enrolled in a health and accident insurance plan. You also must have a health record form on file with the university. If you do not, you will be referred to a private physician or medical facility. You must have all your immunizations completed and documented when you come to Bloomsburg. Your registration for classes will be canceled if you are not enrolled in a health insurance program and/or do not have a complete health record form on file.
